15. Please explain your ratings above, especially if you have AI tools for "other" types of work. *

The AI as been a good help: to help me extract the grade that was provided in the AI answer with other information.
it give me a regular expression that i did not completely understand so i ask what this code mean.
I got an issue with the key , i wanted to remember how it works but later on i got an issue with it i ask AI to help me why do i have an issue here.

16. Please leave any further comments above use of AI tools for this submission / CPSC 2350 *

This is the first time I am really using AI, before this semester I never really use it and it is good to have another option. It saves a lot of time and explain the concept very well in general.
